AGUTTES' AUCTIONS IN PARIS DURING FIAC TOTALLED OVER €2 MILLION FOR ASIAN PAINTING, IMPRESSIONIST, MODERN ART, AND CONTEMPORARY ART

NEW AUCTION RECORD FOR THE ARTIST VU CAO DAM

Aguttes auction house has obtained a new record in its auction sale at Drouot on Monday, October 23rd, with Vu Cao Dam's *Two Young Girls Sewing* fetching €226,950 (incl. VAT), thereby reaching 5 times more than the high estimate.

Boudin, Buffet and Picasso obtained remarkable prices and contemporary art also held its ground on the international market with a silver medal going to Gully and a gold medal to Hussein Madi, another auction record.

"Once again, Vietnamese artists have reached record prices in France, including Vu Cao Dam, for whom I am proud to have obtained 4 of the 7 best results in the world over the past 30 years," declared Charlotte Reynier-Aguttes, who heads the Department of Modern and Contemporary Art at Aguttes.

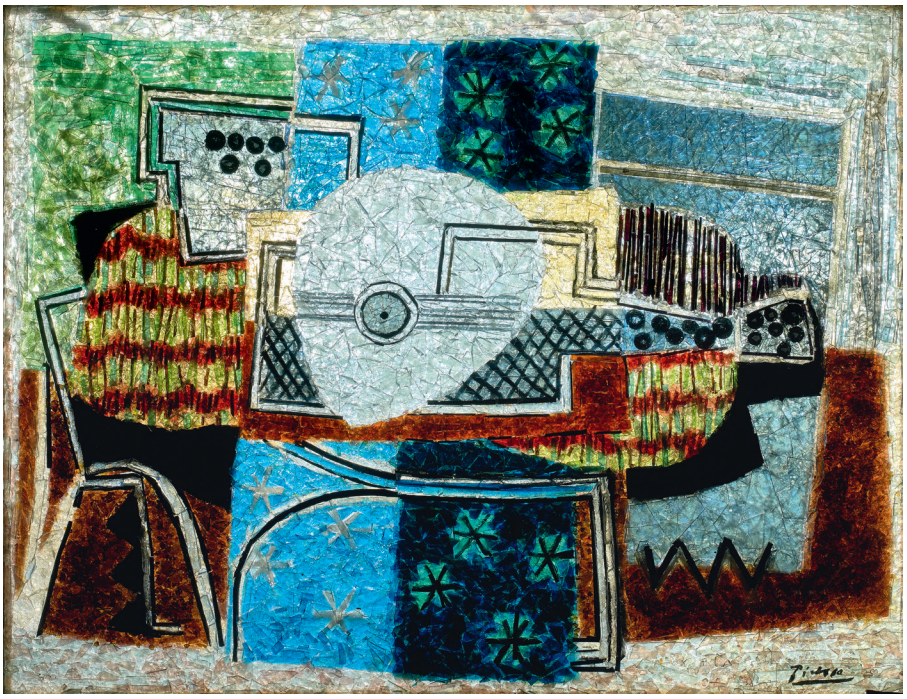
MAISON DE VENTES AUX ENCHÈRES



The sale of lot n°50, the gemmail by Pablo Picasso (1881-1973) and Roger Malherbe-Navarre (1908-2006) has been temporarily suspended in the absence of certificates from Claude Ruiz-Picasso and the Picasso Committee.

This artwork is a unique piece that is part of Picasso's oeuvre.
It is accompanied by
- a copy of the certificate by Maya Widmaier Ruiz Picasso of 8 April 2016 which states that the series of 60 gemmaux "are a creation of the Artist, my father, with the Artisan, gemmiste Roger Malherbe. They are unique pieces signed by my father which prompts me to say and to affirm that these gemmaux are part of Picasso's oeuvre."
- the certificate n°138 dated 14 December 1960 and written by Roger Malherbe-Navarre, the master artisan of Atelier Malherbe, under the title Nature morte à la mandoline ('Still Life with a Mandoline').
It is also attested by Pierre Daix who, in the Gemmail chapter of Le Nouveau dictionnaire Picasso (Robert Laffont, 2011; p. 387) indicates that "Picasso produced about sixty pieces between late 1955 and 1960."
