NEWS FROM THE FINE CARS' DEPARTMENT

AGUTTES AT LE VIGEANT FOR '500 FERRARIS AGAINST CANCER' – 1-3 JUNE

Held in June for 24 years at the Circuit du Val de Vienne at Le Vigeant, Sport & Collection is an unmissable event for all lovers of Ferraris and exceptional cars. Run by Jean-Pierre Doury and the association which he chairs, this event aims to collect money for the cancer treatment centre at the university hospital in Poitiers. Thanks to the 40,000 spectators present and the exhibitors who are partners in the event, more than €4,000,000 has been raised. A tremendous initiative which Aguttes has supported for the past two years through its presence in the exhibitors' area. But Aguttes also showed its support by

staging the traditional charity auction, at which Jean-Pierre Doury once again asked Gautier Rossignol, director of Aguttes' classic cars department, to bring down the hammer. In 2017, we were proud to raise the second largest sum at auction, but this year a new record was set, with €33,600 raised by the many generous donors who took part in the auction. All the money collected will be given to the university hospital in Poitiers.

AGUTTES, PARTNER OF THE CHOPARD CLASSIC GRAND TOUR – 8-10 JUNE

Aguttes' classic cars department has been very busy these past few weeks, getting out and taking part in leading events in France and abroad. Just a week after '500 Ferraris against cancer' at Le Vigean, our team headed towards Le Mans to join the third Chopard Classic Grand Tour. Organised jointly by the watch brand and the team led by Philippe Pasteau (the coordinator of the drivers' parade for the Le Mans 24 Hours Race for 20 years), this event has already made its mark and succeeded in attracting a top-quality grid and many important collectors from France and other countries, as well as celebrities who this year included Tom Kristensen, the record-holder for the most wins at the Le Mans 24 Hours Race.

Itself a partner in the event, Aguttes presented a 1959 Mercedes-Benz 220 S Ponton Cabriolet in completely original condition. We were invited to join the judging panel and awarded a prize to the 1954 Aston Martin DB2/4 entered by a British crew. Looking magnificent in its original shade of 'Illusive Blue', it was formerly owned by an English vicar before going on to five subsequent owners. A remarkable and charming history! After driving it over from England, its crew is now continuing a six-week trip across France.

Enjoying steady growth since its establishment in Neuilly-sur-Seine more than twenty years ago, while also holding auctions at Drouot in Paris and in Lyon, AGUTTES was ranked as the fourth largest auction house in the French market in 2017, and the leading independent French auction house (without external shareholders). Headed by Claude Aguttes since 1974, six associates, including his daughters Philippine Dupré la Tour and Charlotte Reynier-Aguttes, help manage the company today. The company holds 110 auctions per year with a team of 40, including four authorized auctioneers.

AGUTTES is also a major and most dynamic actor at Drouot in Paris, where it achieved the highest bids in 2015 and in 2017.

Due to its professionalism, the auction house was recently chosen by the French Commercial Court to orchestrate the auctions of Aristophil's tremendous collection of old manuscripts. The year 2017 was marked by the development of off-site sales, such as the one during "Les Grandes Heures Automobiles" at the Linas-Montlhéry motor circuit, or those held in the Arturo López private mansion in Neuilly-sur-Seine. Furthermore, in Lyon, significant renovations of the auction saleroom in the former train station of Brotteaux have just been completed which will allow new events to be created.
