MAISON DE VENTES AUX ENCHÈRES

The entire team in the Classic Cars department at Aguttes wishes you a very happy new year for 2019 ! The start of a new year is always the occasion to take stock, but also to think bigger!

While we were able to increase our presence in the market still further during 2018, with six auctions and numerous trips to attend the major events in the classic car calendar, 2019 will be marked by the arrival of two new events in Paris, with our Spring Sale on 17 March and Summer Sale on 23 June, to be held in the heart of the capital!

Our traditional Autumn Sale will continue to take place where it all began, in the magnificent Gare des Brotteaux at Lyon, alongside the Epoqu'Auto show on 9 November. True to its commitments, for the third year running Aguttes will organise the official auction at Les Grandes Heures Automobiles at the Autodrome at Linas-Montlhéry on 22 September. On 1 June meanwhile, we will run the charity auction alongside Jean-Pierre Doury at Sport & Collection – 500 Ferraris Against Cancer at the Circuit du Vigeant.

MAISON DE VENTES AUX ENCHÈRES

Enjoying steady growth since its establishment in Neuilly-sur-Seine more than twenty years ago, while also holding auctions at Drouot in Paris and in Lyon, AGUTTES was ranked as the fourth largest auction house in the French market in 2018, and the leading independent French auction house (without external shareholders). Headed by Claude Aguttes since 1974, six associates, including his daughters Philippine Dupré la Tour and Charlotte Reynier-Aguttes, help manage the company today. The company holds 110 auctions per year with a team of 40, including four authorized auctioneers.

AGUTTES is also a major and most dynamic actor at Drouot in Paris, where it achieved the highest bids in 2015 and in 2017.

Due to its professionalism, the auction house was recently chosen by the French Commercial Court to orchestrate the auctions of Aristophil's tremendous collection of old manuscripts.

With its ability to commit in ambitious projects thanks to its audacity, which remains intact since its creation, to its financial base and the strengthening of its international positioning, the company is today a major player in the international art market.
