IMMINENT CLOSING OF THE CATALOG

On this occasion, almost two hundred Automobilia lots will be offered before the Fine Cars selection by Maître Aguttes. From the 50's until nowadays without forgetting the now unmissable selection of Youngtimer cars, we will

offer a very eclectic selection of around thirty cars.

As part of this selection, you will be able to admire among others a very nice 1967 Mercedes-Benz 250 SE Cabriolet (one of only 954 built), fitted with rare optional Borrani wheels. This car has been well preserved since his current owner bought the car for his private collection some thirty years ago.

More recent, but not less exclusive, we will also display a Ferrari 348 GTS delivered new by Charles Pozzi Levallois establishment the 29th of July 1994. This model is very uncommon, only 218 has been made between 1993 and

1994. The car has been regularly on-time serviced and will be sold with its original logbook.

Delivered with a Porsche 550 Spyder french registration title from the 15th of July 1953, this 550 Spyder Replica by *Martin & Walker* is remarkable. The body is made of fibre and coupled with a tubular chassis fitted with a 115-hp flat 4 engine. With only 4000km showing on the odometer, this is a very attractive car...nicknamed "Little bastard"!

AGUTTES

MAISON DE VENTES AUX ENCHÈRES

Enjoying steady growth since its establishment in Neuilly-sur-Seine more than twenty years ago, while also holding auctions at Drouot in Paris and in Lyon, AGUTTES was ranked as the fourth largest auction house in the French market in 2017, and the leading independent French auction house (without external shareholders). Headed by Claude Aguttes since 1974, six associates, including his daughters Philippine Dupré la Tour and Charlotte Reynier-Aguttes, help manage the company today. The company holds 110 auctions per year with a team of 40, including four authorized auctioneers.

AGUTTES is also a major and most dynamic actor at Drouot in Paris, where it achieved the highest bids in 2015 and in 2017.

Due to its professionalism, the auction house was recently chosen by the French Commercial Court to orchestrate the auctions of Aristophil's tremendous collection of old manuscripts. The year 2017 was marked by the development of off-site sales, such as the one during "Les Grandes Heures Automobiles" at the Linas-Montlhéry motor circuit, or those held in the Arturo López private mansion in Neuilly-sur-Seine. Furthermore, in Lyon, significant renovations of the auction saleroom in the former train station of Brotteaux have just been completed which will allow new events to be created.
